## **Comments Report**

## 8. Miscellaneous

- <sup>8.1)</sup> Personal comments and suggestions to improve the course:
- - 1. A bibliography would be wonderful.

2. Overall what I enjoyed was being exposed to helpful tools for analysing characters' life course narratives. It was very insightful.

- Besonders die praktische Übung anhand eines konkreten Stoffs von Autoren war besonders hilfreich. Davon hätte es gerne sogar noch mehr geben können.
- Congratulations the course was much more inspiring than I have expected. Thanks so much especially to Carolin for this wonderful experience. Christina Groth
- It might help to show clips of the movies that are not very well crafted in terms of writing. So it's up to the participants to shoot ideas of how to improve it.
- Linda Seger has accumulated so much experiences in the profession of script consultant and has a beautiful talent to communicate to others.
- Thank you
- This class fullfilled my expectations completely. Beside this I'd love to mention Carolin's outstanding work. Two wonderful people: Linda and Carolin.
- good. Thanks a lot.
